SVAMITVA (Survey of Villages Abadi and Mapping with Improvised Technology in Village Areas) is a Central Sector flagship Scheme initiated by the Ministry of Panchayati Raj, with NIC as its technology partner. It aims to give an integrated property validation solution for rural India and empowers them with the records of right to their residential properties.

The scheme covers multifarious aspects viz. facilitating monetisation of properties and enabling bank loan; reducing property related disputes; comprehensive village level planning, would be the stepping-stone towards achieving Gram Swaraj in true sense and making rural India Atmanirbhar.
